AMENDMENT JOINING NECESSARY PARTIES**

I have been served by the Plaintiff's in this case with an Amendment Joining Necessary Parties, Motion for Summary Judgment, Stipulation of Parties, Interrogatories and a Request for Production of Documents and I ask the Court to quash that service of process and to strike said documents because:

1. Rule 2-341 of the Maryland Rules of Procedure says that if a party files an amendment that adds a new party they must cause a summons, the complaint, together with a copy of all pleadings, scheduling notices, court orders, and any other papers previously filed in the action, to be served upon the new party; and
2. I was not served with the pleadings, court orders, appeal opinions or any other documents previously filed in the proceedings as required by said Rule 2-341.
